## Erie Board of Trustees Action Items – August 13, 2013

**Board Approves Withdrawal from Countywide IGA** – In accordance with the Boulder County Countywide Coordinated Comprehensive Development Plan Intergovernmental Agreement (Agreement), the Board of Trustees held a Public Hearing to determine if the term of the Agreement should be extended an additional five (5) years from the date of termination of October 16, 2013. During the Public Hearing, the Board approved a resolution not to extend the Agreement. In a separate action, the Board approved a resolution authorizing the Town to withdraw as a party From the Agreement.

**Board Approves Contract to Review Drainage Plans in Grandview Neighborhood** – In response to the severe weather that occurred on August 3, 2013, the Board approved a design contract to RESPEC Water and Natural Resources, in the amount of \$18,938.00 to review existing drainage plans for the Grandview neighborhood, make recommendations, and prepare a final design and construction plans so as to minimize the damage from future storm events. Upon authorization, the contractor estimates the time to complete all tasks, including the review and approval of the conceptual design plan, to be three to four weeks.

**Board Approves Substantial Compliance for Golden Run Annexation Petition** – The Board approved a resolution finding substantial compliance of the Annexation Petition regarding the Golden Run Estate Annexation. Approval of the resolution does two things:

1. Establishes that the Board of Trustees finds the Annexation Petition to be in substantial compliance with the laws of the State of Colorado.
2. Sets a Public Hearing date and time of September 24, 2013, at 6:30 p.m.

The Golden Run Estate petition requests annexation to the Town of Erie of an approximate 330 acre parcel located at the northwest corner of Vista Parkway and County Line Road.
